Notice Concerning Internal Reorganization of Domestic Sales Functions through Company Split (Simple Absorption-type Split)

Olympus Corporation (hereinafter "Olympus") hereby announces that the Director, Representative Executive Officer, President and CEO of Olympus has decided to sign an absorption-type split agreement with Olympus Medical Science Sales Corporation (hereinafter "OMSJ"), a wholly-owned subsidiary of Olympus, to cause the rights and obligations related to the domestic sales function of the medical and scientific business (hereinafter the "Function") to succeed to OMSJ via an absorption-type split (hereinafter the "Company Split").

Since the Company Split is a simplified absorption-type split carried out between Olympus and its wholly-owned subsidiary, the disclosure matters and details are partially abridged.

1. Purpose of the Company Split

As announced in "Notice Concerning the Commencement of Deliberation on Reorganization of Domestic Sales Functions of the Olympus Group " dated November 13, 2020, Olympus plans the reorganization of Olympus Group's domestic sales functions to occur on October 1, 2021.

Currently the Olympus Group's domestic sales function is separately handled by Olympus and OMSJ. By integrating the domestic sales function of the medical and scientific business in these two companies, Olympus aims to: realize flexible resource assignment, enhance cooperation with business partners, implement unified sales policy across Japan, and retain highly capable talent; and as a result strengthen its sales function.

The purpose of the corporate separation is to reorganize Olympus Group's domestic sales functions and to have OMSJ succeed the rights and obligations related to the Function.
