3Q of Fiscal Year 2025 Consolidated Financial Results

- 1 Revenue: Driven by North America, which achieved double-digit growth in three focus areas, led by "EVIS X1" GI endoscopy system. With yen depreciation serving as a tailwind, revenue increased by 9%.
- 2 Operating profit and Adjusted operating profit: Increased due to a decrease in losses related to Veran Medical Technologies, which were recorded in previous fiscal year, and a tailwind from FX. Adjusted operating margin reached approx.18% in 9 months.
- 3 Full-year Forecasts: Revised revenue and each profit level, taking into consideration progress in 9 months and external environment, particularly in China.

Changes in Reporting Structure

Due to transfer of the Orthopedic Business, which was included in Other, it is disclosed as the discontinued operation¹ from Fiscal Year 2025. **Reportable segments² are now two: ESD and TSD (based on IFRS). FY2024 FY2025 ESD** ESD Disclosed as "reportable segments" Continuing **Operations TSD rsd** Excluded from "reportable segments" as the financial information expected for current fiscal year is deemed to have a decrease in Other financial materiality Other Profit (loss) from the Discontinued **Discontinued Operation Orthopedic Business V** Operation is disclosed in Consolidated Financial Results

¹ In the nine months ended December 31, 2024, Olympus Corporation entered into a put option agreement with PTCJ-60 Holdings Inc. and PTCJ-6F Holdings Inc. (special purpose companies established by Polaris Capital Group Co., Ltd., collectively, the "Polaris Capital Group"), to transfer Olympus Terumo Biomaterials Corporation and FH Ortho SAS, Olympus's Orthopedic Business, a process that was completed on July 12, 2024. Due to this, profit (loss) from the Orthopedic Business has been classified as profit (loss) from the discontinued operation, and it has been presented in the same manner for the nine months ended December 31, 2023. Furthermore, the amounts presented for revenue, operating profit, adjusted operating profit, profit before tax and profit from continuing operations are the amounts from continuing operations from which the amounts from the discontinued operation have been excluded, while the amounts presented for profit and profit attributable to owners of parent are aggregates of continuing operations and the discontinued operation. ² IFRS 8.5-10 Segments that meet the requirements of "operating segments", as determined by taking into account the aggregation criterion (IFRS 8.12) and the quantitative criterion (IFRS 8.13). Based on these standards, the Group previously had three reportable segments: "ESD," "TSD," and "Other", but from the first quarter ended June 30, 2024, the Group has changed the reportable segments to two segments, "ESD" and "TSD," and has presented the information in the same manner for the nine months ended December 31, 2023.
